

TRADUCTION DE COURTOISIE

Paris, 21th October 2011

Dear Mr President

Dear Madam President,

During the 13th meeting of the Association of European Senates held in Madrid in June last year, it was agreed that the next session of the Association would be in Paris, from 15th to 17th March 2012.

I therefore have great pleasure in inviting you to attend this meeting, which will be highlighting a subject of topical parliamentary and institutional interest, and about which we will shortly be sending you details.

The draft programme and registration procedures will be available from 1st November onwards on the Internet site of the French Senate.

On the relevant page you will find all necessary further information, as well as the contact details of the organizers of this meeting.

I am very much looking forward to welcoming you to Paris next March.

Yours faithfully,
